Executive Session -Not held

President Daily introduced engineer Brian Book. Mr. Book handed out his agenda and proceeded to talk about his initial findings, not in the form of declarations but to review his initial findings. He noted his objective is to stimulate conversation and work toward the September 10, 2009 meeting. Both meetings will aid in making a decision by October, 2009.

Mr. Book interacted with Council, and the attending public which included engineers Eric Moore and Joe Pietroski. These conversations provided answers, induced questions, and provoked thought. Mr. Book thanked everyone for attending and encouraged them to attend the next public meeting on September 10, 2009.

Executive Session-Not held
